- Evoluation of surgery of portal hypertension during last century in Egypt.

18. Seventh congress of asian society of hepato-biliary pancreatic surgery, 28th 31st August, 2003 chennal (Madras) India

Presentation:-

- Video: "Modified pancreaticoduodenectomy"
- Lecture surgical treatment of central cholangiocarcinoma

19. 5th symposium and postgraduate course of the IASG in Bucharest, 2003.

• Presentation:-

- Management of cholangiocarcinoma
- Evolution of surgery of portal hypertension during last century in Egypt.

20. (20) 13th international congress of international association of surgeons & gastroenterologists, December 2003 Estoril Portugal. Hepatic resection for cholangiocarcinoma

21. (21) 14th international congress of international association of surgeons & gastroenterologists, September 9 – 12 2004 Zurich. Hepatic resection for HCC in Egypt.

22. (22) 12th postgraduate or course of international association of surgeons & gastroenterologists, December 2004 Athens Greece

**23. (23) 6th international postgraduate course new frontiers in GI oncology ,
December 1998**

invited speaker

- Clinical application of il – 2 in pancreatic and liver cancer

24. international seminar in new frontiers in the diagnosis and management of GI diseases invited speaker-

- locoregional combined with chemotherapy
- Gastric varices : The problem is management

25. 15th World Congress of the International Association of Surgeons and Gastroenterologists (and oncologists) Prague Congress Centre > Czech Republic September 7-10 /2005

26. "I.A.S.G." 16th world congress of the international association of surgeons & gastroenterologists madrid, may 25-27, 2006 :

Synchronous Colorectal Liver Metastasis : Which Surgical Strategy : Delayed Resection Or Synchronous Resection

27. (15th World Congress Of The International Association Of Surgeons & Gastroenterologists (and Oncologists) Prague Congress Center > Czech Republic September 7-10-2005.

- Epidemiology of CRC in Egypt
- Different modalities of HCC treatment in cirrhotic liver in Egypt (1000 cases).

28. 13th International Postgraduate Course Athens, Greece. December 8-10 , 2005 . Henry Dunant hospital.

- Left Hepatectomy Plus Segment I Resection For Klatskin Tumors

29. IX International EUROASIAN Congress of surgery and Gastroenterology Baku 1518 May 2006 :

- lecture under title different line of treatment of surgery hepatocellular carcinoma in Egypt
- lecture and video Modified technique of pancreaticoduodenectomy
- chair persons of session (lectures)

30. 17 th World Congress of the International Association of Surgeons, Gastroenterologists and Oncologists - September 5 -8, 2007- Romania

Presentation:-

- Caudate lobe resection
- Hepatic resection for primary hepatic tumors
- Advances in multimodal approach for malignant biliary strictures Chairmen: . Agarwal,
- A Prognostic factors after surgery for Klatskin tumors

31. (30) 17th World Congress of the International Association of Surgeons, Gastroenterologists and Oncologists - 4-5, 2007- Romania

Presentation:-

- Microsurgery -a condition of success in living related liver transplantation

32. 18th World Congress of the International Association of Surgeons, Gastroenterologists and Oncologists October 2008 Istanbul

- 33. 19th World Congress of the International Association of Surgeons, Gastroenterologists and Oncologists October 2009 Beijing**
- 34. 17th international post graduate course of IASGO Athens December 2009**
- 35. 110th Annual Congress of Japan Surgical Society April 2010 (invited by the president of japans Society of Surgical to present lecture**
 - (Living related Donor Liver Transplantation (LDLT) for Hepatocellular Carcinoma
- 36. XIII National congress of surgery with international participation 7-10 October 2010 Sofia v**
- 37. the 14th annual meeting of international college of surgery February 2015 Tiba (New Cairo)**
 - Surgical resection of hepatocellular carcinoma
- 38. 33rd annual meeting in collaboration with the pan Arab associations of surgeons 23rd annual meeting**
 - Cholangiochercinoma :20 years experience
- 39. Mansoura International hepatogastroenterology conference & workshop hepatogastroenterology unit (internal medicine department) 14-16 October 27, 2015**
 - Is there still a place for hepatic resections in treatment of HCC
- 40. 33rd annual summer meeting program Helnan Palestine Hotel – Alexandria 29-31 October 2015**
 - There is still a role of surgery for HCC
- 41. (38) International recent advances in general surgery Intercontinental Hotal, Jeddah 20-22 October 2015 (Kingdom of Saudi Arabia)**
 - Hepatic resection for management cholangicarcinoma (15 years experience)
- 42. Local Mesot meeting 20-21 january 2016 Cairo Egypt**

- Comparison between resection and transplantation in hepatocellular carcinoma :Mansoura Experience

43. IASGO 27th World Congress on November 15-17, 2017. The Congress Lyon – Franc

44. 45th Jordanian Surgical Society (JSS) conference & 25th Annual Congress of Pan Arab Association of Surgeons (PASS) Jordan 29th Nov. – 2nd Dec.2017.

45. 30th anniversary IASGO world congress Moscow , Russia September 9-12- September 2018

- Liver transplantation
- 15 years experience of surgical management of Klatskin tumor

TRAINING COURSES ABROAD

1. Training for liver transplant Leeds University UK. 1990.
2. Training for laparoscopic surgery Friburg Germany 1993
3. Training for Ultrasound dissector for liver surgery Hamburg Germany 1992
1. Training course for laser in Gastroenterology Los Angles California 1994

THESIS SUPERVISION

1. Evaluation of gastro-esophageal junction before and after splenectomy & devascularization, Nabil Ali Gad el Hak. Mansoura University, 1988
2. Management of porta-systemic encephalopathy developing after surgical intervention in patients with bleeding esophageal varices. Ahmed Mostafa Abou-Elenain, Mansoura University, faculty of medicine, 1993.
3. Study of some of biological characteristics of campylobacter pylori isolated from gastric lesions in patients with end stage renal failure. Abdalla Mohamed Khalil Ahmed, Mansoura University, faculty of Science , 1994
4. Evaluation of surgical management of cholangiocarcinoma, Ehab Aly El-Hanafy, Mansoura university, Faculty of Medicine, 2001.
