

***Prof. Renata Dobrila – Dintinjana, MD.PhD***

***Personal data:***

Birth: Rijeka, 03. May 1958.

***Address:***

Pogled 8, 51216 Viškovo

Tel/Fax: +385 51 54 71 43

Mobile phone: 098 257 729

E-mail: [renatadobrila@windowslive.com](mailto:renatadobrila@windowslive.com)

***Work address:***

Department for Radiotherapy and Oncology

Clinical Hospital Centre

School of medicine, University of Rijeka

Krešimirova 42, 51000 Rijeka

Tel: + 385 51 65 83 91

Fax : + 385 51 65 8 391

E-mail: [onkologija-rijeka@kbc-rijeka.hr](mailto:onkologija-rijeka@kbc-rijeka.hr)

***Languages:***

English: Advanced C1

Italian: Advanced C1 Understanding, B2 Speaking

Russian: Basic A1

***Education:***

Study of Medicine – ***School of Medicine, University Rijeka***, 1976–june 1981

Master of science – ***School of Medicine, University Rijeka***,

Postgraduated education: Clinical patophysiology 1987.

Specijalist of internal medicine – 1995.

PhD – Pain control in Patients with Gastrointestinal Cancers 1999.

Assistent Professor – 2003.

Medical oncologist specialisation – 2005

Professor - 2009.

***Skills:***

1996. Zagreb, Internal Clinic: Abdominal Ultrasound Trainee Education

1998. Maribor (Slovenia), Internal Clinic: Endoscopy Trainee Education

***Past Positions:***

- Clinical Hospital Center Rijeka – Trainee internship, 1981–1982.
- Medical Center Krk, Emergency dpt, 1983-1987.
- Medical Center Krk, Head of Emergency dpt. 1985-87.
- Clinic for Internal Medicine, 1987-2010.
- Head of Gastroenterology-Oncology section , 2000-2010.
- Head of Radiotherapy and Oncology Dpt, 2010-2015.
- Deputy Manager Clinical Hospital Center Rijeka, 2013-2015.
- Professor of Internal Medicine, Clinical Hospital Center Rijeka, School of Medicine Rijeka, University of Rijeka, 2009-

***Current Position:***

- Head of Medical Oncology section.
- Professor of Internal Medicine , School of Medicine, University of Rijeka
- Vice President Croatian Oncology Foundation

***Postgraduated in (selected):***

1. Peripheral neuropathy in cancer patients, Boston, 2006.
2. Perspectives in colorectal cancer, Miami 2007.
3. Postgraduate course Chemotherapy for tomorrow, Mount Sinai School of Medicine, New York, Nov 2003.
4. Approach to Oral and Enteral Nutrition of the Long Learning Programme on Clinical Nutrition and Metabolism, Zagreb 2009.
5. Nutritional Assessment and Techniques of the Long Learning Programme on Clinical Nutrition and Metabolism, Zagreb 2009.
6. Post graduate Course Pain and Palliative Medicine, Inter-University Centre of Post-Graduate Studies, Dubrovnik 2011.
7. Targeting Angiogenesis in Solid Tumors: Contemporary Approaches&Practical Considerations, Chicago 2011.

***Invited Speaker at Postgraduated International Courses (selected):***

1. Diagnosis, treatment and follow-up of GIST patients. At 4th congress of the gastroenterology association of Bosnia and Herzegovina, Sarajevo, Bosnia and Herzegovina, 25.-28.05.2011.
2. How to prevent tumour cachexia. First IASGO 2013 CME Croatia Course. Rovinj 2013.
3. Perioperative nutrition in gastrointestinal malignancies. 2th International conference and exhibition on nutritional science and therapy. Philadelphia 22-25. June 2013.
4. Nowadays strengths in systemic chemotherapy for abdominal malignancies, International Association of Surgeons, Gastroenterologists and Oncologists. Postgraduate Course Hong Kong 2013.- International faculty
5. Third IASGO CME Postgraduate Course „Avantguardia in the HPB surgery and liver transplantation: When East meets West“, Moscow, June 6-8, 2014.
6. IASGO CME Continuing Medical Education; Advanced Postgraduated Course : Present and Future: What is New?, Tokyo, June 13-14, 2015.

***Invited speaker in more than 100 national and international Meetings, Symposia and Congresses***

***Projects of Croatian Ministry of Science and Technology :***

***1. Principal Investigator***

Relationship between survival and Quality of Life in oncology patients

***2. Co-Investigator***

Locoregional approaches in therapy of colorectal cancer liver metastases

***3. Co-Investigator***

Magnetic cholangiopancreatography in diagnostic of biliary obstruction

***Memberships:***

1. Croatian Medical Chamber
2. Croatian Gastroenterologic Society – Head of Section for Gastrointestinal Tumours
3. Croatian Medical Oncology Society – Vicepresident
4. EACR - European Association for Cancer research
5. ESMO – European Society for Medical Oncology
6. ASCO – American Society for Clinical Oncology
7. MASCC – Multinational Association for Supportive Cancer Care –Fatigue and Metabolism group member
8. IASGO- International Association for Surgeons, Gastroenterologists and Oncologists, Member of Oncology Section,
